

# AGENDA OVERVIEW

6 - 8 April 2022

## From Vision to Action Robotic Innovations in Agri-Food

6-8 April 2022 Wageningen & Online

# DAY 1

6 April 2022

## Consortium Project Meeting

13:00 - 15:00

Project meeting  
All partners

Welcome

Current Status of project

Upcoming amendments

Future Sustainability &  
Visibility of the project

AOB & Next meeting

15:00 - 15:30

Coffee Break

15:30 - 16:00

Plenary Meeting  
of Regional Clusters

16:00 - 17:30

Regional Cluster Meetings  
for Associated DIHs/CCs

18:00

Social Event

# DAY 2

7 April 2022

Hybrid Workshops & Pitch your Robot (Online)

09:00 - 09:15  
Welcome

Kees Lokhorst  
agROBOfood  
Coordinator

09:15 - 09:55  
The automation of  
farming: the ROBOTTI  
field robot

Ole Green  
Founder of Agro  
Intelligence ApS

09:55 - 10:30  
Big Industry & Robotics:  
the Lely success story

Guus van Roessel  
Director of Business  
Development at  
Lely

10:30 - 11:00

Coffee Break

# DAY 2

7 April 2022

Parallel Sessions (Hybrid) | Pitch Your Robot (Online)

11:00 - 12:30

Robotics  
Standardisation  
& Interoperability

Business models  
for company  
& product/ service  
level

Gathering &  
using Market  
Information

12:30 - 13:30 Lunch Break

13:30 - 15:00

From lab to field  
Testing Robotic  
Systems

Experiences in  
Fund raising by  
SMEs

SmartAgriHubs  
experiences for  
the Robotic  
Community

15:00 - 15:30 Coffee Break

15:30 - 17:00

AI modelling &  
Setting up Data  
Pipelines

Legal Issues for  
Robotics

Mapping of  
DIH networks &  
supporting  
Broker Service

18:00 Dinner

P  
I

# DAY 3

8 April 2022

Parallel Sessions (Hybrid)

09:00 - 10:30

agROBOfood  
Innovation  
Experiments

Safety and Security  
in Robotic design,  
What is level 5  
safety system

Value-sensitive  
Design in  
Robotics

10:30 - 11:00

Coffee Break

11:00 - 12:00

Pitch Your Robot Awards  
Closing Remarks

Erik Pekkeriet

13:00 - 15:00  
Campus Tour

Transportation included
